

YEAR 6- AUTUMN TERM 2026

Overview of term

Welcome back after the summer break and here we are, in Year 6, at the top of the school! The children have returned with enthusiasm and a positive attitude towards the year ahead. They seem to have already settled into the new routines and expectations. I have included a summary of the topics that the children will be covering this term. If you would like any guidance about how you can help your child at home, please feel free to get in touch via info@dormansland.surrey.sch.uk with the subject 'FAO Miss Watts'. Thank you for your continued support, we look forward to the term ahead full of new learning experiences!

Overview of term

Welcome back!

We hope you have had a lovely break. The children have come back refreshed and full of energy and enthusiasm to conquer this term. We have a very interactive term which starts with **'I wonder where a journey will take us?'**, this is jammed packed with visitors, transport and hopefully a trip on a local bus. This is followed by **'I wonder how things change?'**, which is full of growing, plants, changes over the years, with dinosaurs thrown in. We love to keep busy and we hope to be able to invite some of you in to get busy with us.

PLEASE ENSURE ALL UNIFORM ITEMS AND WATER BOTTLES ARE LABELLED

PE

We do 'sensory circuits' or 'Just Dance' daily to ensure we are reading for learning.

PE is still on Wednesday afternoons.

We are great at taking on and off our shoes and socks now- just remember comfortable clothing like leggings or joggers. Also, any earrings to be removed on a Wednesday.

Dates for the diary

WB 19.1: Mechanic visit in school (day to be confirmed)

WB 26.1: Bus trip to Train station (day to be confirmed)

04.02: Pilot visit

16.02: Half term break

Home learning

If your child has a colour banded reading book, please read daily- little and often works best. Please make sure you are writing in your child's reading diary and letting us know when a new book is needed.

key skills

Independence is key- getting dressed, using a knife and fork when eating, toileting, doing up coats and putting on gloves. They can do it at school- so please make sure they continue to do it at home.

We are still focusing on the importance of keeping our hands and feet to ourselves when playing - we use the term 'hands down' in school - please continue to remind your child at home of this too.
