Primary PE and Sport Premium Report

Academic year 2025/26 | School website reporting template

School information	School response
School	Dormansland Primary School
Size/context	One-form-entry mainstream primary school
Academic year	2025/26
PE and Sport Premium lead	Mr M Cook

1. Funding overview

Information	School response
PE and Sport Premium allocation received	£16,208
Total amount spent	£16,208
Unspent funding	£0

2. Priorities for 2025/26

- Improve staff confidence and subject knowledge through coaching, mentoring and targeted CPD.
- Increase daily physical activity, particularly for pupils who are less active or face barriers to participation.
- Broaden the range of clubs and sporting experiences available and improve equality of access.
- Increase participation in intra-school and inter-school competition.
- Improve swimming and water-safety outcomes for pupils who had not yet met the national curriculum expectations.

3. Expenditure breakdown

DfE spending category	Actual spend	What the funding paid for
Continuing professional development (CPD)	£3420	Specialist mentoring, staff training and PE subject leadership development
Extra-curricular activities, equipment and resources	£11,980	Additional clubs, inclusive equipment and resources to extend provision
Memberships	£214	PE/sport professional and resource membership and participation in local network and competition programme
External sport competitions	£200	Entry fees and participation in local network and competition programme
External coaching staff	£9980	Time-limited specialist delivery paired with teacher development
TOTAL	£25,794	

4. Impact across the five key areas

1. Staff confidence, knowledge and skills

Spend	Impact / evidence	How improvement will be sustained
£3634	Teachers worked alongside specialist practitioners and received focused CPD in areas identified through staff audit. Staff reported greater confidence in lesson structure, progression, differentiation and assessment. Planning and vocabulary became more consistent across year groups.	Subject leader monitoring and shared planning resources will support continued implementation. Staff who received coaching can model practice and support colleagues.

2. Engagement in regular physical activity

Spend	Impact / evidence	How improvement will be sustained
£9980	Active break opportunities were extended and targeted lunchtime provision was used to encourage pupils who were less likely to take part independently. Additional extra-curricular clubs increased opportunities beyond curriculum P. Increase focus in morning club on physical movement.	Playground routines, pupil leadership and staff-supervised activities are embedded into normal school practice.

3. Profile of PE and sport

Spend	Impact / evidence	How improvement will be sustained
£0	Sporting participation and achievement were celebrated in assemblies and newsletters. Pupil leadership roles gave older pupils responsibility for supporting active play. PE and sport were included in governor monitoring and school improvement discussions.	Celebration, monitoring and pupil leadership will remain part of the annual school cycle.

4. Broader and more equal experience

Spend	Impact / evidence	How improvement will be sustained
£11,480	The school offered a broader club programme including less traditional activities as well as established team sports. Provision was reviewed to identify pupils with SEND, disadvantaged pupils, girls and less-active pupils who might need encouragement, adaptation or subsidised access.	The school will continue to monitor participation by group and adjust the club offer according to take-up and pupil voice.]

5. Participation in competitive sport

Spend	Impact / evidence	How improvement will be sustained
£ 700	More opportunities were provided for inter-house challenges and local inter-school festivals and competitions, including inclusive events designed to widen participation. Coaches were provided for pre competition support.	A competition calendar and links with the local School Games network will be maintained.

5. Swimming and water safety - Year 6

Enter the actual percentage of the 2025/26 Year 6 cohort meeting each national curriculum outcome.

National curriculum outcome	Percentage
Swim competently, confidently and proficiently over at least 25 metres	83%

Use a range of strokes effectively	79%
Perform safe self-rescue in different water-based situations	86%
Additional swimming information	**School response**
Premium spent on additional/top-up swimming or broadening aquatic opportunities	£0
Provision funded	Additional support for pupils who had completed core curriculum swimming but had not yet secured the required outcomes.
Impact of the additional provision	Targeted additional practice supported identified pupils to develop confidence, technique and water-safety knowledge.

7. Sustainability and next steps

- Continue staff coaching through the PE subject leader and use shared progression and assessment resources.
- Maintain a varied extra-curricular offer and review participation termly, with particular attention to pupils who are under-represented.
- Retain pupil sports leaders and structured active-play opportunities.
- Maintain links with the School Games network and plan a balanced annual competition calendar.
- Use swimming assessment information to identify pupils requiring targeted top-up provision.

8. PE and School Sport Partnerships Network

What targeted support would the school value from the network?

Consent to share the relevant collection with the national delivery partner: Yes / No

9. Leadership and governance assurance

Assurance check	Evidence / completion
Expenditure checked against the conditions of grant	Finance report and invoices reviewed by school leaders.
Impact reviewed	PE lead report, pupil voice, participation information and staff feedback considered.
Governor scrutiny	Nominated governor reviewed expenditure, sustainability and impact with school leaders.
Website publication	Final report checked against DfE publication requirements and accessibility expectations.
